\*Exceptions: Notwithstanding the numbers set forth in this column, the rebate (bps) for transactions associated with (a) reduced large ticket interchange that are counted towards Qualified Annual Spend Volume are **50 basis points**, and (b) negotiated merchant interchange that are counted towards Qualified Annual Spend Volume are **25 bps**.

- E. Early Payment Incentive: The Bank will add 0.5 basis point to the applicable rebate bps set forth in the table above for every day early (prior to the Extended Payment Date) that Company remits payment for Qualified Annual Spend Volume. For the avoidance of doubt, the foregoing provision does not apply to reduced large ticket interchange, nor to negotiated merchant interchange transactions.
  - For centrally billed programs, payment timeliness is calculated for each cycle by measuring the number of days in between
    the statement cycle date and the payment posting date.
  - For individually billed programs, payment timeliness is calculated for each cycle by measuring the average days to pay across accounts, which is a ratio of total outstanding balances of all individually billed accounts to qualified spend.

#### F. Liability, Payment Structure and Network:

- This Citibank Corporate Card Program is corporate liability with central bill and central payment Corporate Card accounts will be setup on the MasterCard network.
- This Citibank Purchase Card Program is corporate liability with central bill and central payment. Purchase Card accounts
  will be setup on the MasterCard network.
- This Citibank ePayables Program VCA Only is corporate liability with central bill and central payment. ePayables
  accounts will be setup on the MasterCard network.

#### G. Assumptions and Pricing Changes:

- The Bank may adjust pricing if certain assumptions made by it including, but not limited to, Qualified Annual Spend Volume, average card spend and minimum number of active cards prove to be inaccurate or vary significantly.
- In particular, the following assumptions have been made by the Bank: Qualified Annual Spend Volume of at least: \$94,000,000
- The Bank reserves the right to adjust pricing due to fluctuations in interchange rates, significant changes in interest rates or
  if market disruption affects the Bank's ability to raise funds in the market, or if laws or regulations in any jurisdiction (or their
  interpretation thereof) should change, and such change has an adverse effect on either the income or the costs of the Bank.
  In such cases, the Bank shall be entitled to vary the pricing to the extent necessary to put the Bank into the same position as
  before
